It's definitely a boy/girl! You're carrying so high/low/wide!	Is the nursery all done?	You are so cute!	Are you SO excited?!	Do you really think you're going to make it until [due date]?
God, babies are SO expensive!	Have you figured out maternity leave yet?	So are you ready?	Ugh, you look SO uncomfortable	Should you be eating that?
My sister/friend/casual acquaintance had an 11 pound baby! What if that happens to you?	Do you have names picked out?	You have gotten so much bigger since I saw you yesterday/last week/a month ago!	Do you know what you're having?	Just between us, do you want a boy or a girl?
Can I touch it?	What are you going to do about childcare?!	Oh my god, you're HUGE!!	You should really think about [their name] if it's a [gender] – hahaha I'm kidding! But really, it's a great name!	How much longer?!
You think this is hard? Wait until you have a crying baby!	Are you having weird cravings?!	I still can't believe you're having a baby!	Sleep while you can!	[Sympathetic/knowing/smile/glance/head nod from another extremely pregnant woman]
